JUNE 4, 2011

Join us this year as an exhibitor when thousands tour the park searching for new and unusual arts & crafts items.

WHAT YOU NEED TO KNOW...

BOOTH SIZE:

Booths measure 10' x 10'. You are responsible for any tables, chairs, tents, awnings or decorations needed for your booth. All booths are outside on the grass in the Reardan City Park. Tents or awnings recommended with tie-downs.

ELECTRICAL SERVICE:

Electricity is available on a limited basis. We try to accommodate power needs for anyone who needs it, however it is on a first come, first serve basis. \$10 fee for 110 Volt service.

TYPES OF VENDORS:

Most arts and crafts are accepted. It is the policy of the organizing committee, however, to limit the number of booths devoted to a particular craft. When submitting this contract it is necessary to list the products you plan to exhibit to avoid any conflicts. The number of exhibits may be limited as well at the discretion of the committee.

BOOTH LOCATION :

All craft booths are located in the Reardan City Park on the grass. The committee reserves the right to determine booth locations to avoid similar products or services from being next to each other and to reduce conflicting crowd lines.

SET UP TIME:

You may begin booth set up after 2:00 pm on Friday, June 3, 2011 and after 7 am on Saturday, June 4, 2011. Unloading of vehicles or trailers must conclude and be removed not later than 9:00 am Saturday June 4th. Vendors will be allowed to drive up to their booths to unload only and must remove vehicles immediately upon unloading. Vehicles left unattended may be towed. Booths should be open following the parade that begins at 10:00 am.

PARKING:

All vehicles must be removed from the exhibit area by 9 am. A special "Exhibitor Parking Pass" will be given to you on set up day to park in the area marked *Exhibitor Parking Only* on the South and West sides of the city park.
